

Indigo Run Children's Activities Program

Indigo Run announces the revitalization of our Children's Activities Program. Kathy Ambrosic, administrative assistant in the COA office, will be organizing events throughout the year for the children and grandchildren in our Community, as well as for the community at-large. Please be sure to check out the website and/or your mailboxes for details of upcoming events.

Many of the full-time children attend different schools throughout the Island, so this is a great way for them to get together within their home community.

In order to develop *fun* and *exciting* programs for kids, tweens and teens, we would like to get an idea of the numbers and ages of children living in the community as well as the children who visit during holiday and summer times. Therefore, if you have children living in your home or who visit you and would like to see programs geared towards their age level, please fill out the form below and return it to the COA office at your convenience or email the information to Kathy at activities@indigoruncoa.org. Forms are also available on our website at www.indigoruncoa.org.

Please fill out the information below and return it to Kathy at the COA office.
